OUR PROPERTY

Tucked among towering trees, you'll find a spacious place to play at camp. Big open spaces, horse corral and cosy cabin areas all sit atop the cliff overlooking Lake Huron. Wind down the steps through the trees and you'll find one of the best beaches around, buzzing with the sounds of fun as kids play and frolic in our safe, sandy-bottomed swimming area.

Welcome to summer fun!

OUR Goal

Our job is to provide our campers with memories to last a lifetime and to give parents the peace of mind that comes from knowing their children are receiving the best care. We take every aspect of your child's camp experience seriously so they don't have to. We let them have the time of their life.

OUR Staff

Trained and dedicated staff are ready to provide each camper with security, love and a good example. Many are Moms and Dads themselves who give up their time to make camp a better place. Great care is taken to choose mature, caring staff. Medical staff is available around the clock.

Memories Forever

Life long friends, the glow of the campfire, a whirlwind ride on the big yellow banana, making it to the top of the climbing wall, or afternoons spent with horses are all things that memories are made of.

Life-changing Moments

Campers are encouraged to learn about themselves and examine their relationships with others and God. Teaching from God's Word and the example of mature leadership are daily priorities.
